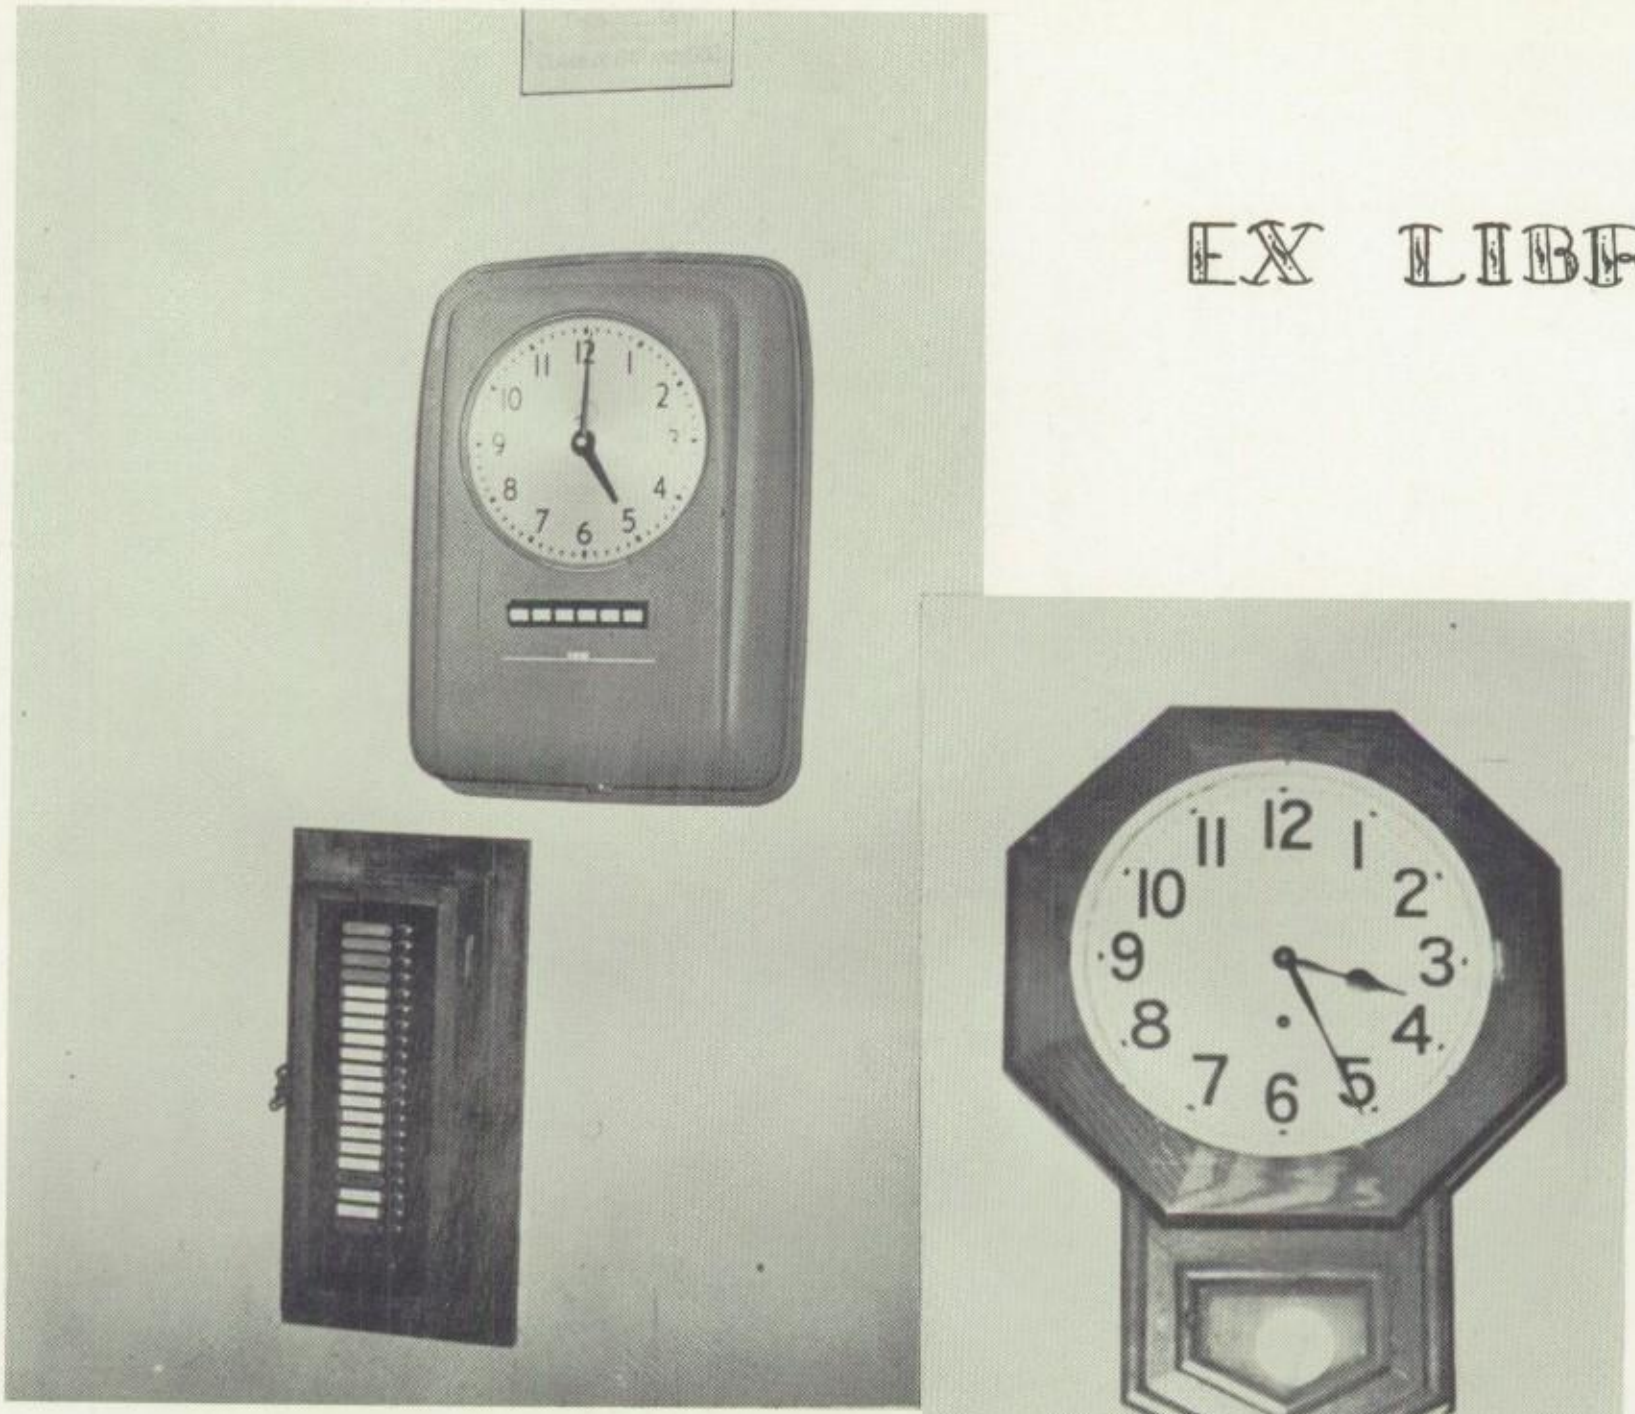
Best Wishes from the Class of "53"
for your patient guidance this
past year.



EX LIBRIS

FOREWORD

This year, the theme of our yearbook is "time." In the office of our school an event occurred, this year, which symbolized the fast pace of time. The replacement of the antique clock by our electronic time system marked the occasion. As we look at these two clocks, we realize that time has advanced at a very rapid pace, and, as time has advanced, a considerable number of changes have taken place. Even our standards of acquiring knowledge have changed considerably.

Only one occasion in our lives remains unchanged and that is the tumult of a confused world. We hope with the newly inaugurated President, the pendulum will once more swing towards a more peaceful world. After we the "Class of '53" look back with pleasure on our past memories at Womelsdorf High School, our home for twelve years, we will look forward with vigor in our eyes for fulfilling our wishes of a more Peaceful World.

To the Class of 1953:

The past twelve years you have spent in school should have prepared you for facing the problems you will encounter in adult life. Many of the decisions and choices you will need to make will be vital to your own individual peace and security, as well as to that of society in general. These decisions and choices can be made most ably if you have learned to reserve your opinions until you have investigated and weighed all the issues involved, to the point where your judgments will be made honestly and fairly—in terms of what is best for the total group.

DEDICATION

The Class of 1953 wishes to dedicate the Weicon to you, Mr. Leader, who led us up the last two rungs of the ladder of our school life. For these two pleasant years filled with advice and much encouragement, we heartily thank you.

Mr. Leader graduated from Mt. Penn High School in 1948. While attending the school he was a member of the orchestra, concert band and chorus. While participating in these, he also was active in county, district, and state bands. He was vice-president of the chorus and president of the Mt. Penn Band.

Furthering his education in the musical field he entered West Chester College. There, as in high school he was very alert and active. He was a member of the college chorus, glee Club, marching band, woodwind quartet and the symphony orchestra. Before completing his course he spent five months of student teaching at Marpel Newton High School in Philadelphia. As he received his diploma and B.S. degree he heaved a sigh of accomplishment—but much to his surprise, that accomplishment he gained in four years could not half equal all he has accomplished at Womelsdorf High School.

Mr. Leader entered our Faculty as a new member of the teaching profession—with new ideas. Immediately, he began work on the school band! Since then, we have heard Mr. Leader say, "The Womelsdorf School is overflowing with musical talent"—talent which he has developed! He also organized our Dance Band and is now earnestly working on the Student Council.

To you, Mr. Leader, your clarinet and your stamina, we extend a happy and melodious teaching career.

SENIORS

Upon our graduation, we the Seniors will be swept into the whirlpool of time. But a portion of our minds will be dedicated to the memories of our own Alma Mater. This is the place to which we can always turn and remember our helpful teachers and the friendships with our underclassmen. We wish to thank our teachers for their kind assistance and our last urgent command to you—our underclassmen—is this, "Fill your souls with all the learning you can consume—so that in due time the Road of Success will be broadened and the Hall of Fame will be filled."

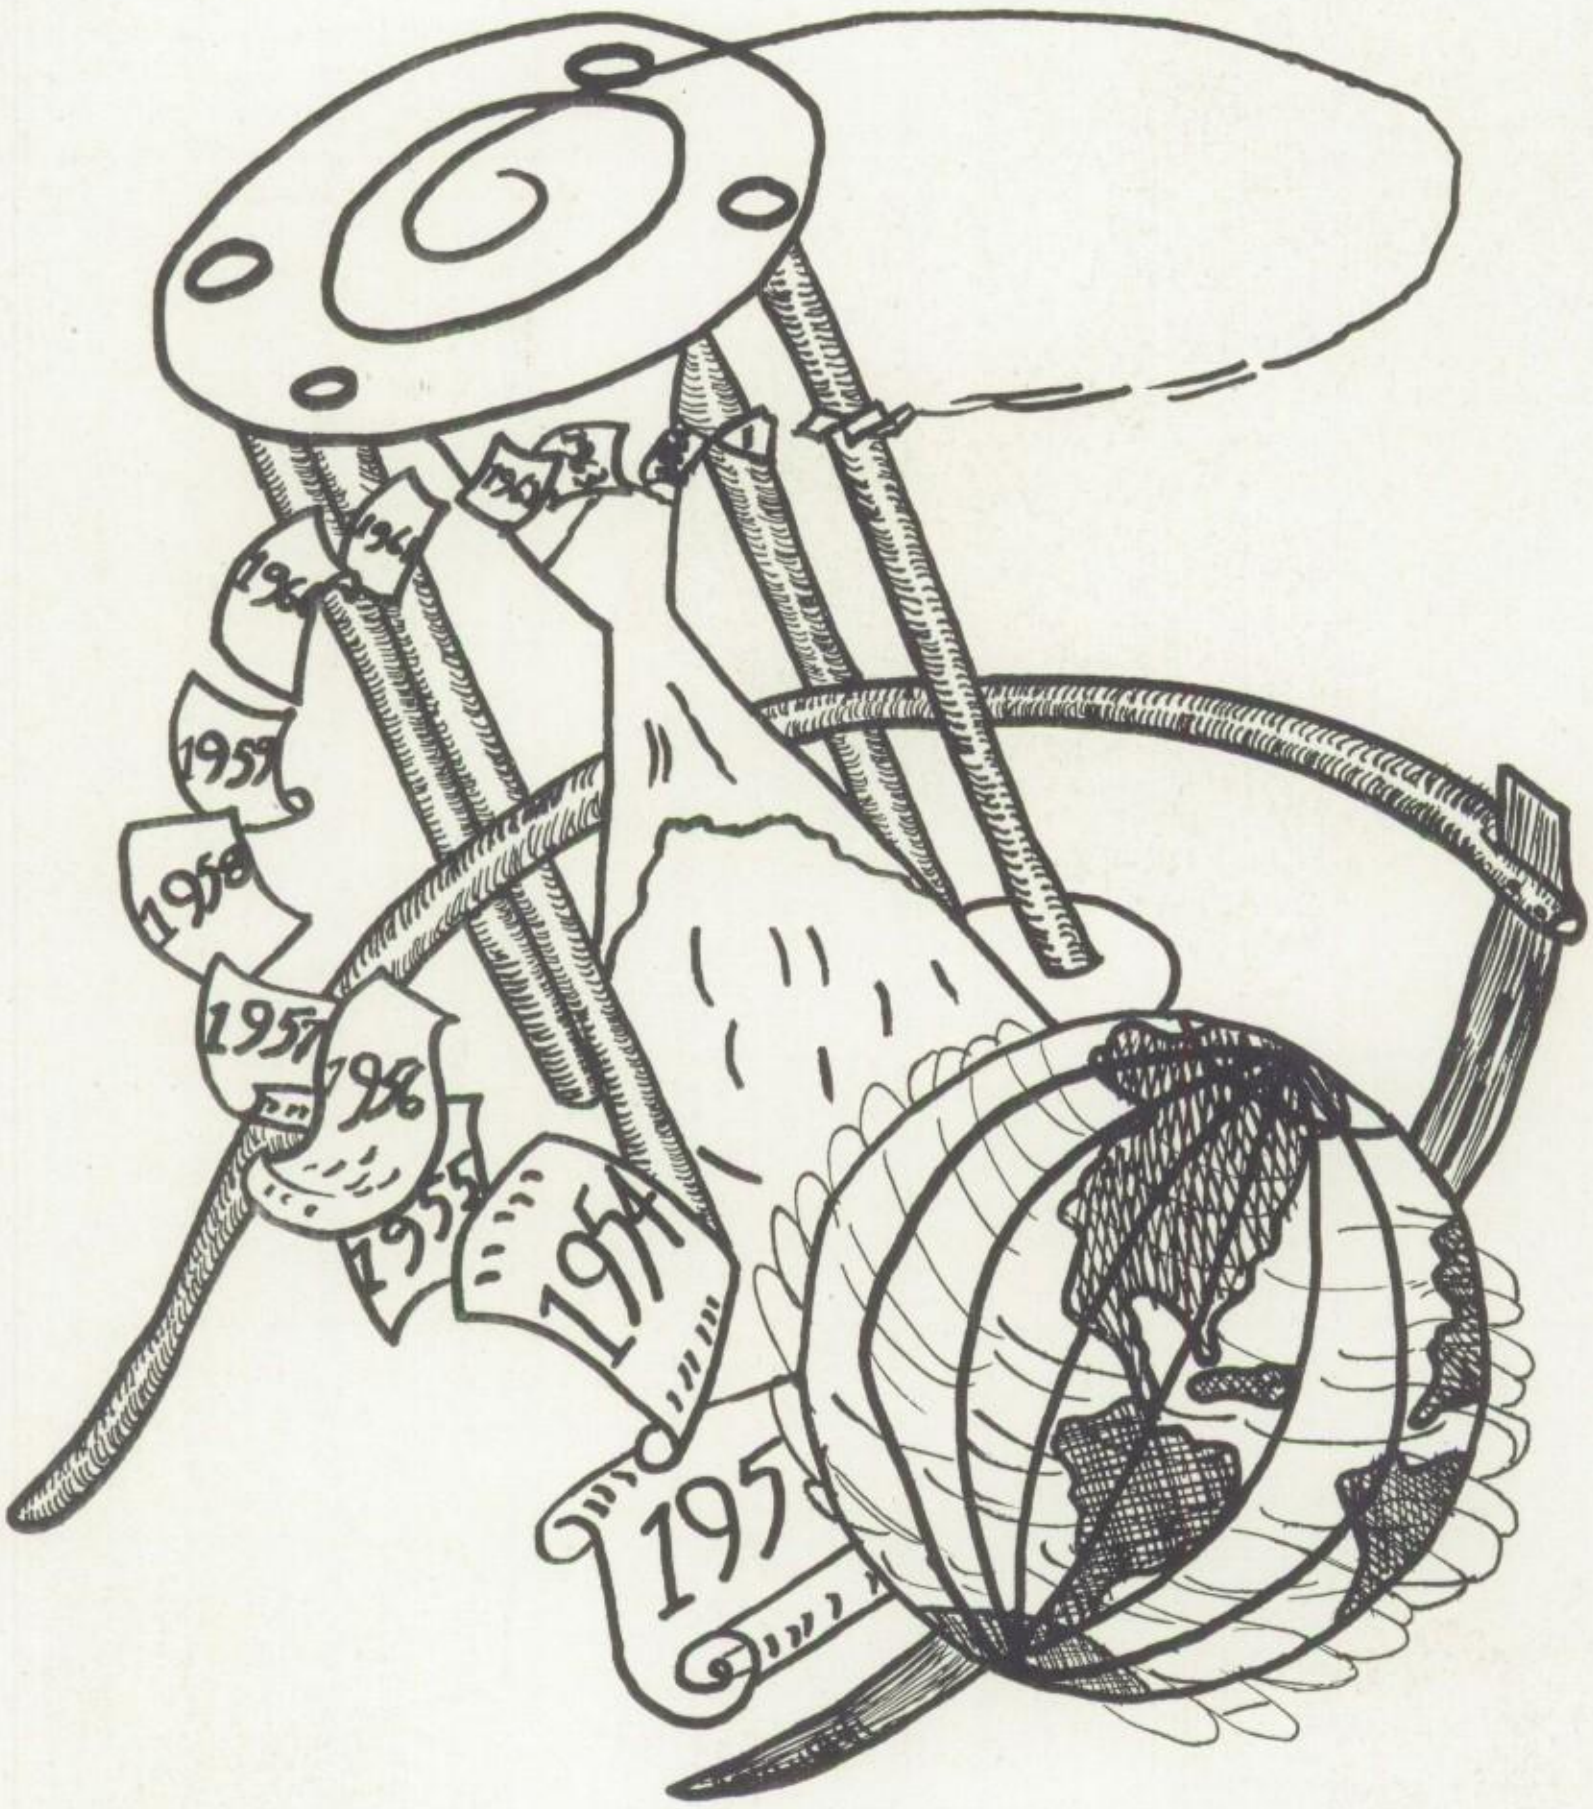
CLASSES



As we pass through the grades we have many occasions to realize "time" is the law, which rules our life! Then it seems we are too young to understand the significance of "time," but we soon realize the importance of the fleeing minutes.

As the bell rings for that dreaded math class our feet seem to drag as we make our way through the halls. But, when it rings for play time, the hall becomes filled with the sound of running feet. How fast the time went during playtime. How it seemed to drag during math class! Both of those activities were made up of the same number of minutes. Time doesn't proceed slowly or quickly—it only depends whether you are interested or not in the subject dealt with.

In the future as you, underclassmen make your way thru the grades to your graduation:

Take time for work—It is the price of success.
Take time to think—It is the source of power.
Take time to play—It is the secret of youth.
Take time to read—It is the foundation of wisdom.
Take time to be friendly—It is the road to happiness.
Take time to dream—It is hitching your wagon to a star.
Take time to love and be loved—It is the privilege of the gods.
Take time to look around—It is too short a day to be selfish.
Take time to laugh—It is the music of the soul.

ANNIE L. EBERLY

This year marks the "Golden Anniversary" of Miss Annie L. Eberly's teaching career in the Womelsdorf Schools. She, our fifth grade elementary teacher has a wonderful personality and has never failed to provide her pupils with the educational tools that will equip them for life.

Directly after her graduation from Womelsdorf High School in 1901, Miss Eberly entered Kutztown State Teachers College, graduating in 1902. The next year she took a course in Professional Reading at the same institution. On conclusion of her education she went to Heidelberg Township, where she spent one year of teaching. At the conclusion of this year, she came to the Womelsdorf Schools.

Every Sunday, Miss Eberly can be seen walking briskly to her Church—Zion Evangelical Lutheran Church. Here, too she is a regular member of Sunday School—where she teaches the Ladies' Bible Class.

In addition she belongs to these organizations: Past Matron of Conrad Weiser Chapter, Order of Eastern Star, Financial Secretary of the Patriotic Order of America, Parent Teacher Association, President of Women's Missionary Society of Zion Evangelical Lutheran Church, and the Women's Club of which she is Past President.

Miss Eberly, we congratulate you on your splendid job of a half century of teaching—and we certainly hope you will continue to teach the children of Womelsdorf for many years to come.

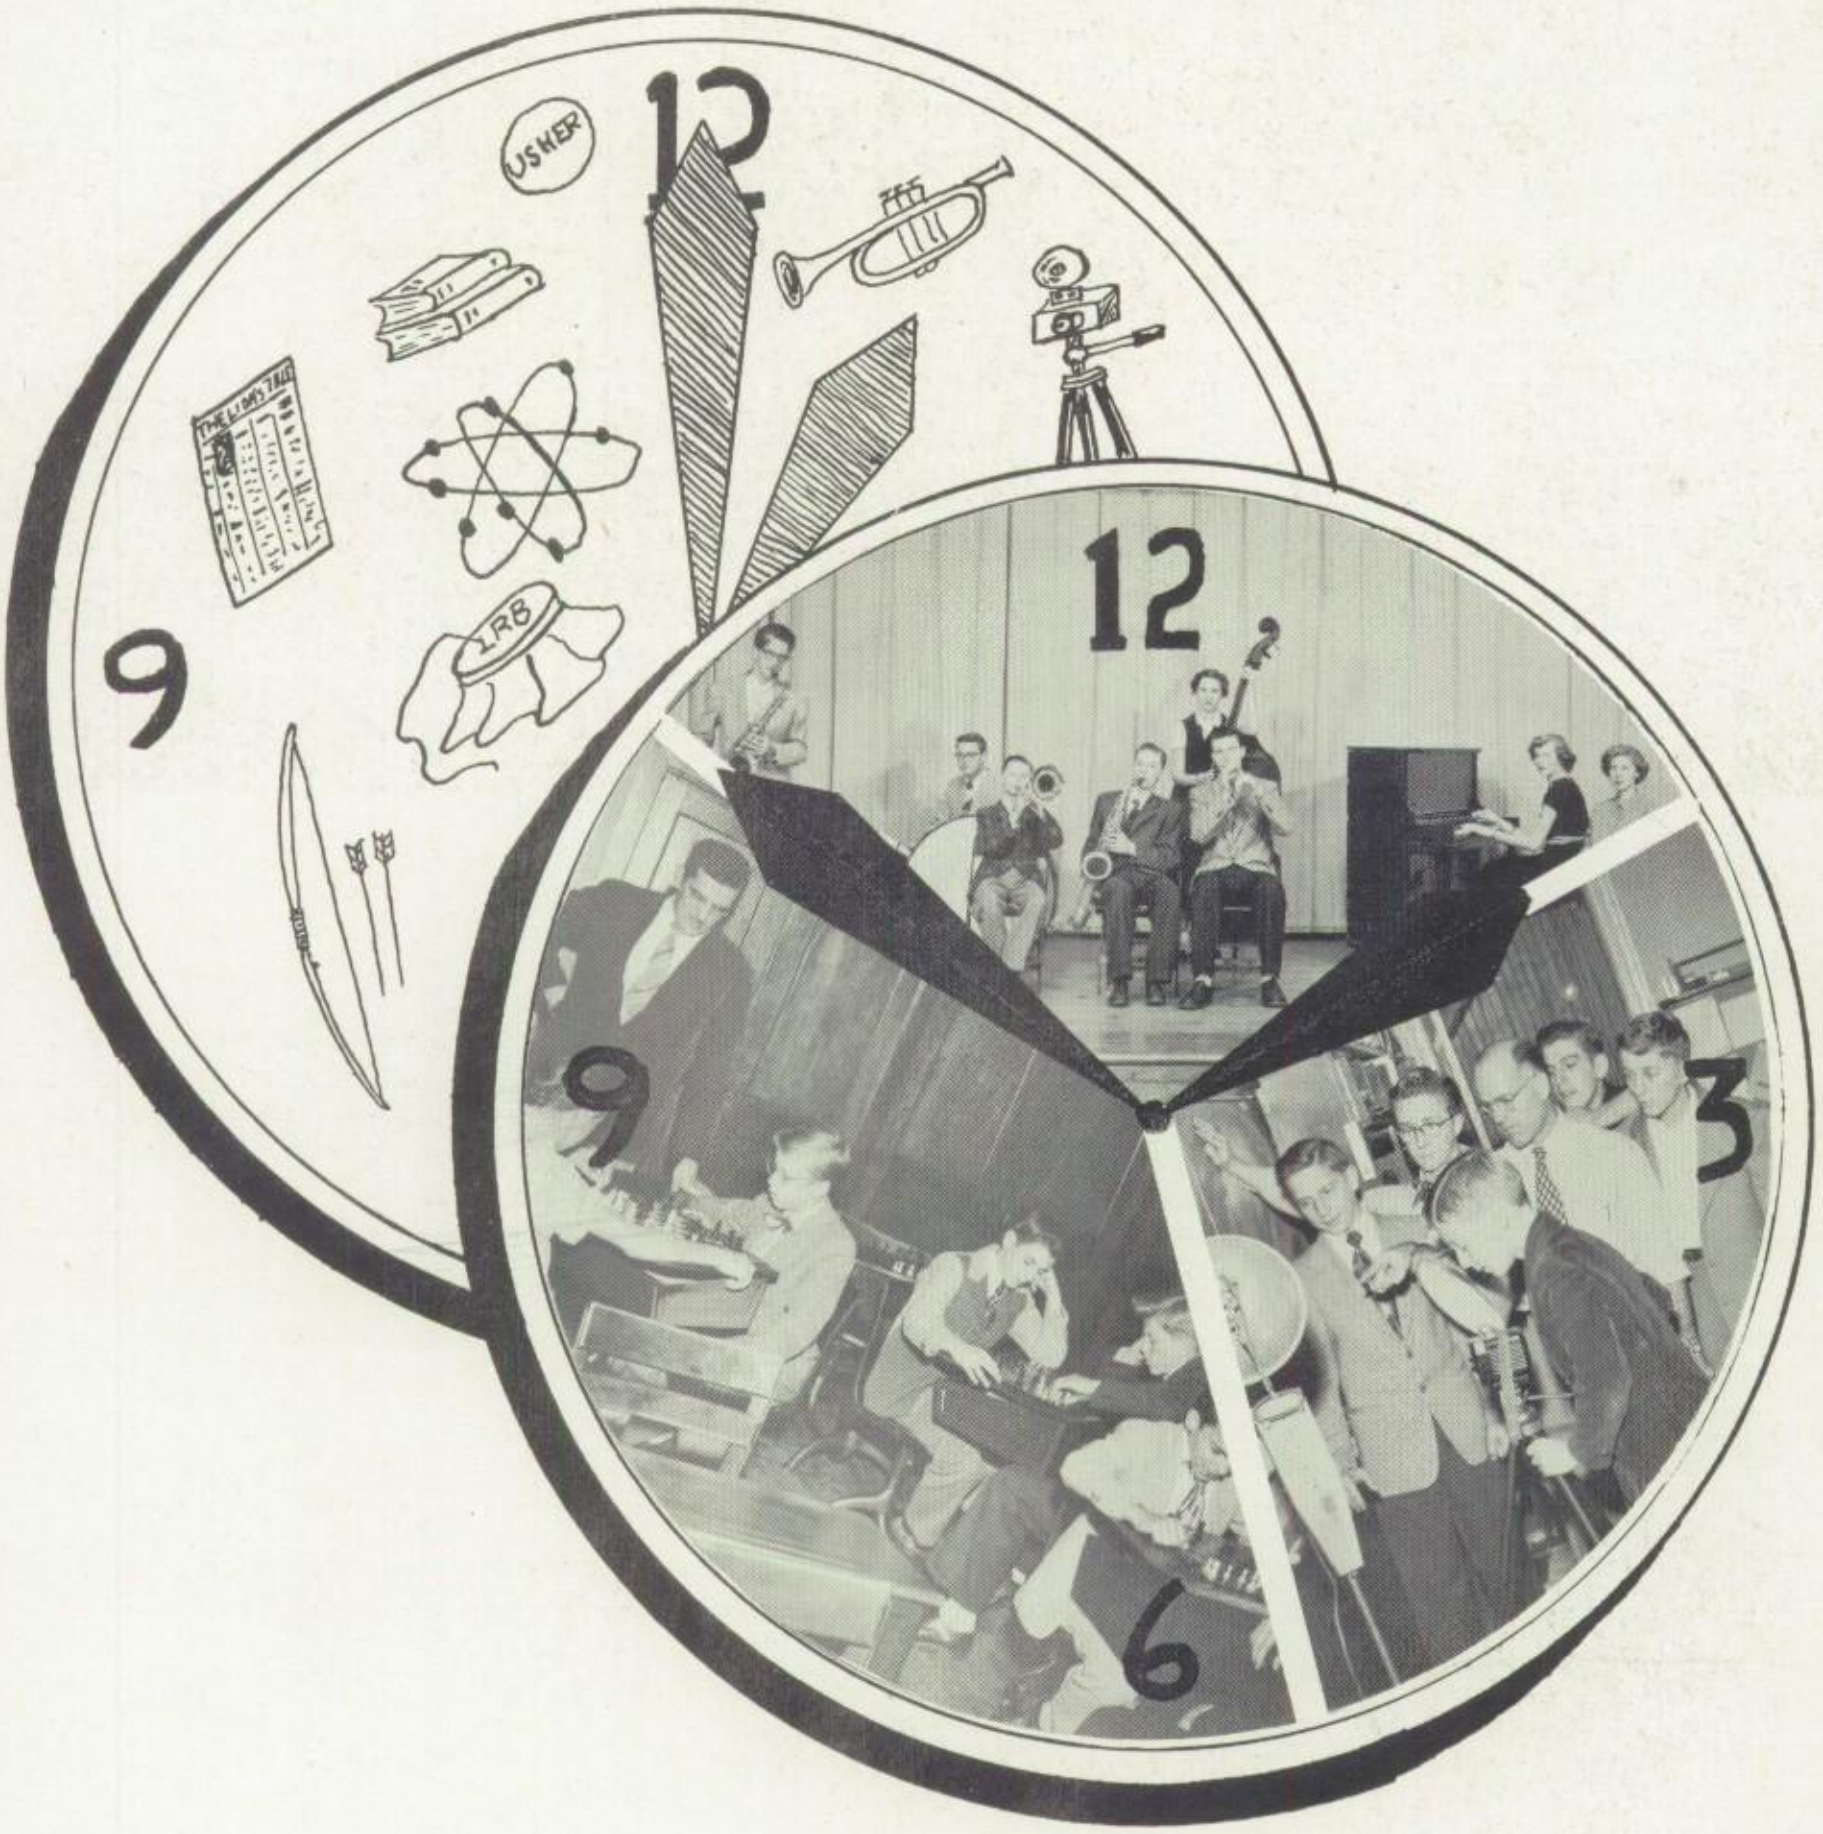
ACTIVITIES



As the fifth period on a Wednesday and Friday arrives, we hastily make our way to the club of our choice. The thirteen clubs, from which we may choose two are: Photography, Newspaper, Debating, Student Service, Archery, Chess, Hobby, Sewing, Y-Teens, Library, Band, Orchestra and Dance Band. The Junior and Senior chorus, are two other activities in which we can indulge our talents.

The Student Council, an organization initiated this year, will give assistance in a parliamentary way to the Board of Education and Faculty in the operation of our school.

As our memories skim through the activities of the past year we realize our "time" during these activity periods was well spent!

How important "time" is when it is running out—especially when our Lions need only one point to win the most exciting game of the year.

As we, the Seniors of nineteen hundred and fifty three, continue down the road of life, we also will begin to understand the importance of those fleeing seconds, during our life span, when there are important decisions to be made. These decisions, which we must make may mean winning or losing the more serious games of Life.
